To Whom It May Concern

#### Manufacturers statement and warranty

Rocor Stud Adhesive (Rocor) is manufactured and supplied by HB Fuller Australia Pty Ltd (HB Fuller) and is formulated to exceed the requirements of AS2753 – 1985 “Mastic Adhesive for bonding Gypsum Plaster Lining to Framing Members”.

HB Fuller confirms that when plasterboard is fixed in accordance with AS2589-2007 “Gypsum linings — Application and finishing” including Rocor applied in accordance with adhesive application specified in this Standard as well as instructions contained in the Technical Data Sheet of Rocor issued by HB Fuller, Rocor will remain free of defects for a minimum period equalling the builders warranty period in the State concerned (typically 7 years).

In the event of any failure of Rocor caused by the direct result of a defect in composition or manufacture of Rocor, HB FULLER will at its option repair relevant areas where Rocor has been applied, or pay for doing this.

This warranty does not apply where the Rocor has been used in any manner not in accordance with the manufacturer's instructions, while the plasterer is responsible for issuing a workmanship warranty.

Notification of a warranty claim must be made to HB FULLER via the local representative or 1800 423 855. HB FULLER will need to be satisfied that any defect in its Rocor is attributable to material or manufacture defect (and not another cause) before this warranty applies.

HB FULLER may require documentation supporting the claim to be provided including but not limited to proof of purchase and date of application. All expense of claiming the warranty will be borne by the person making the claim.

To the extent that it is able to do so, HB FULLER excludes all liability for loss and damage (including consequential loss) in connection with the use of Rocor.

Yours sincerely,
